- Student Co-ordinator for various symposiums in UG
- Local Volunteer for Walk For Water (N.G.O)
- II Prize in the Technical Quiz conducted by HMDA
- District Level 1st in Unified Council

SUMMARY

Dedicated and self-motivated Structural Designer. Having organised many events from school level, earned valuable experience to be a team leader as well as a team member. Excellent technical knowledge with commendable problem-solving skills coupled with good communication and interpersonal skills has paved way to get an admission into one of the top schools in India.

As an early passed out student from CEPT, looking for an opportunity to face the challenging assignments as a junior structural designer within a dynamic, growth-oriented organisation that welcomes fresh ideas, initiatives that imply both organisational and employee's objectives.

Pro-active listener, highly interested in applying the theoretical concepts learnt during my Masters and Bachelors studies in the design of

- High Rise Structures
- Heavy Duty Steel Structures
- Bridge Design
