RISHIRAJ GHOSH Architect

Hello, this is Rishiraj, 23 years old from Kolkata, an Architect graduated from Amity University Kolkata in 2024. I am passionate about design and construction of buildings and other physical structures. I have a keen eye for detail and a strong creative vision, which I use to bring my ideas to life through sketches, models, and computer-aided design. I am constantly seeking inspiration from the world around me, drawing on a wide range of influences to develop unique and innovative solutions to architectural challenges.
