

A young & motivated Urban Planner from CEPT University, Ahmedabad, passionate about creating smart, sustainable & people-friendly cities. Strong familiarity with planning concepts, city economics, development control regulations, legislations, urban policies & schemes. Experienced working with city professionals, local communities, NGOs, ULBs and other Government agencies through academic projects & internships. Professionally worked for over 3 years in the design & construction industry through earlier engagement as an Architect.

- **Industry Skills** - Urban spatial analysis, mapping & representation; data collection & analysis; conducting surveys, market research, feasibility studies & real estate valuation; preparation of technical drawings, presentations & detailed project reports.
- **Software Skills** - ArcGIS, AutoCAD, Adobe InDesign & Photoshop, MS-Office Suite, Sketchup, V-Ray

## EXPERIENCE

### World Resources Institute, New Delhi

May 2019 - July 2019

Research Intern

- Worked under the mentorship of Dr. OP Agarwal (CEO, WRI India) on 'increasing the falling ridership of Delhi's city run DTC buses' through critical analysis of past data, meeting Govt. officials, and conducting surveys. The research was facilitated under the Wipro Earthian Internship Program.

### Helix Healthcare Architecture, New Delhi

Dec 2016 - Oct 2017

Project Architect

- Led the design, planning and implementation of a super speciality hospital in Chandigarh under the direct supervision of the principal architect.
- Assisted the project team in the design development & preparation of technical drawings for Asia's largest Cardiology & Research Institute in Ahmedabad.
- Closely coordinated the project developments with MEP & structural consultants on a regular basis.
- Delegated tasks and monitored drafting work of interns and fresh graduates.
- Completed projects on schedule and within budget on all phases of the work.

### ADP Architecture, New Delhi

July 2014 - Oct 2016

Architect

- Played an active role in the conceptualisation, design development, drawing productions and presentation of various reputed educational institutions in Delhi-NCR.
- Prepared working drawings for Regional Institute of Allied Health Sciences in Bhagalpur, Bihar
- Assisted the design team in the preparation of conceptual sketches, 3d renderings, and preliminary drawings for multiple design competitions.
- Prepared preliminary concepts, design and submission drawings for a residence in Mumbai, Maharashtra.

### Design Bureau, New Delhi

July 2013 - March 2014

Architectural Trainee

- Assisted in the preparation of sanction, construction & detail drawings for various housing, hotel & interior design projects in Bhimtal, Aurangabad & Gurgaon.
