Noida, India

ABOUT ME

Professionally an architect with a keen interest in designing, my core belief of being an explorer and learner, has brought me where I am today. With consistency, dedication and sincerity towards my work, I have successfully completed [over 10] projects both with different teams as well as independently. I take pride in the personal bonds I share with my mentors, employers, peers and mostly clients. After completing this course, I envision myself being a part of a team which is mentally challenging & emotionally enriching.
