WORK EXPERIENCE

OCT '17 - APRIL '18

Junior Architect

At KKAU, Bengaluru.

- Worked on two interior projects (residential and office space).
- Main take away from this experience has been the designing and execution of the metal staircase which is entirely made from folding of metal sheet and bending of metal pipes.
- Did lighting design, did plenty of site work and site measured drawings as well.
- Proposed a green wall for the Salapurja developers.

JUN '17 - OCT '18

Junior Architect

At ilios architects, Bengaluru.

Worked on a residential project design.

JAN '16 - MAY '18

Intern

At Kailash Pradhan consultancy, Gangtok, Sikkim.

- Worked on interiors for an corporate office.
- Proposed a design for a 3 star hotel.
- Produced structural drawings for a residential school.
- Projects also included site visits and documentation.

DEC '20 - present

Free lance work

- Chandelier design for a interior project.
- Packaging design for homemade bottled products.
- Residential design project (ongoing).
