SUMMARY

A trained infrastructure planner and architect, with a keen interest in circular economy, urban resilience, and disaster management. I am disciplined, reliable and motivated to learn and apply my knowledge in my work. Being observant by nature, I have a good analytical and problem-solving approach. I wish to work on projects that enrich my interests and ensure mutual growth. I share my thoughts at <https://aasawrites.blogspot.com/>

EXPERIENCE

NM Design Works, Navi Mumbai and GM Global Infotech, Ontario.
