PRIME ACADEMIC PROJECTS

1. **Architectural Thesis: Pilgrim's Centre at Alandi:** The project was about designing a Pilgrim's Centre. Alandi is a major religious place in Maharashtra. Every year thousands of people gather at Alandi to start the annual pilgrimage to Pandharpur. The project catered to these pilgrims. It focused on managing this sudden influx of pilgrims, managing them and providing them with all the necessary facilities.
2. **Urban Street Design Competition:** The competition was conducted by the Pune smart city department. It involved redesigning of Pashan Sus Road, one of the major roads in Pashan area of Pune. We were given an actual site and had to conduct surveys and study the present conditions. Based on that we were to propose an Urban street design proposal. I and my team were shortlisted and were invited to the Pune Smart City office and where we gave a presentation in front of Government officials.
