

## Vasudha Gupta

5th Year B.Arch Student, CEPT University, India

I think architecture is timeless. It is a constant influence in each of our lives. The power it holds in shaping the world (not just physically) is I think immense. Along with the function, climate, site, materials and construction, at the center of architecture is experience and sensitivity; the creation of something so fascinating and magical that moves us.

**D.O.B** August 3, 2002  
**Nationality** Indian  
**Gender** Female  
**Languages** English, Hindi, German (Moderate), Spanish (Basic)

**Contact** (+91)9300501235  
 work.vasudha.gupta@gmail.com
